Excavation: Continued excavation for minor foundations. Continued backfilling activities around foundations as required.

Equipment: Continued erection of steam turbine. Continued with erection of steel enclosure for Steam Turbine Generator. Continued work on major equipment; combustion turbines, generators, starting packages and support equipment. Continued with installation of process piping on all equipment. Hydro tested both HRSGs. Continue installation of piping in pipe rack. Continued with cable pulls. Continued with erection of cooling tower. Power was introduced into switchyard and power plant.

Underground Utilities Installation: Continue installation of potable water line.

Material Preservation: All major pieces of equipment have been removed from long-term preservation. Equipment is being inspected prior to installation for any issues relating to the preservation.

Engineering: Engineering continues to support construction and preparation of subcontract packaging needs

Activities planned for December 2004

Foundations: Continue work on minor foundations.

Equipment: Continue assembly of low-pressure turbine. Continue with erection of combustion turbine generators. Continue installation of combustion turbines and generator auxiliaries. Continue with installation of process pipe. Continued with cooling tower assembly. Continue setting equipment as foundations are completed.

Earthwork: Backfill along foundation and support installation of storm water piping. Continue work on minor foundations.

Underground Piping: Repair miscellaneous underground piping that is damaged by equipment.

Underground Electrical: Continue cleaning of manholes and install conduit, cable tray, and wire.

Material Receiving and Preservation: Continue material storage and preservation as appropriate. Receive additional material for construction of plant.

Engineering: Engineering will continue to support construction.

MEC Litigation Update

1. STCAG, Phillip J. Mitchell, Jeffrey S. Wade, Timothy Alton and Great Oaks Water Company v. City of San Jose
 - a. This case filed in Federal District Court seeks to invalidate the Cooperation Agreement between the City and Calpine for Metcalf. Calpine was not named as a party. The City has filed a motion to dismiss.
 - b. The City's motion to dismiss was heard on June 25, 2004. The STCAG lawsuit against the City of San Jose was dismissed on statute of limitations grounds.
 - c. *The Ninth Circuit Court required STCAG's opening brief due on November 6, 2004. The City opposition reply will be due on December 7, 2004 with STCAG's reply due on December 21, 2004.*
